- INDEPENDENCE DAY CELEBRATION
- RAKSHA BANDHAN
- KRISHNA JANMASHTAMI
- STORY SESSION
- GANESH CHATURTHI CELEBRATION
- DR. MARIA MONTESSORI DAY CELEBRATION

Aadi Perukku Celebration

Our tiny tots celebrated Aadi Perukku with enthusiasm, learning about the importance of water and nature in our lives. Dressed in traditional attire, the children sang songs, offered flowers, and explored the cultural significance of this Tamil festival dedicated to rivers.

Varalakshmi Pooja Celebration

The beauty and serenity of Varalakshmi Pooja filled our classrooms as children witnessed a beautifully adorned pooja setup, complete with flowers and lamps. Some of our little ones dressed up as Goddess Vara Mahalakshmi. Teachers explained the values of prayer, devotion, and prosperity in a simple, child-friendly manner, making it a spiritually uplifting experience.

Independence Day Celebration

Patriotism was in the air as our kindergarteners came dressed in tricolor outfits and as freedom fighters, proudly waving tiny flags. They participated in a small cultural program that included songs, dances, and a flag-hoisting ceremony, celebrating the spirit of freedom with joy and pride.

Krishna Jayanti (Janmashtami)

The joyous celebration of Krishna Jayanti brought the spirit of playfulness and devotion to life. Our little Krishnas and Radhas looked adorable in their costumes as they enjoyed a lively dance session and a storytelling activity about Lord Krishna's childhood adventures.

Story Session with Ms. Esha Gupta

We had the pleasure of hosting a delightful storytelling session by Ms. Esha Gupta. With her expressive narration and engaging presence, she transported the children into a world of imagination –encouraging listening skills, curiosity, and a love for stories.

Vinayaka Chaturthi Celebration

The month ended with a colourful Vinayaka Chaturthi celebration, where children learned about Lord Ganesha through songs, crafts, and a simple pooja. They even created adorable Ganesha idols using paper cups and proudly took them home.

Dr. Maria Montessori Day Celebration

We had a joyful and meaningful celebration of Dr. Maria Montessori Day, honoring the visionary educator whose methods continue to shape early learning around the world.

Our confident little presenters took the spotlight with enthusiasm and pride. The program featured:

*A warm welcome & material based songs

and a heartfelt pledge inspired by Montessori values

*A brief introduction about Dr. Maria's inventions and her impact on education

*A pep talk on the countries that follow her teaching methodology

*An engaging quiz that got everyone thinking

*A wonderful PowerPoint presentation by our UKG students, showcasing various Montessori materials and their uses in the classroom

It was a proud moment to see the children deliver their parts with clarity and confidence, demonstrating not only what they've learned but also their growing public speaking skills.

Through this celebration, our students gained a deeper appreciation for the Montessori way of learning – one that values independence, curiosity, and hands-on discovery.
