- SUBHAS CHANDRA BOSE'S BIRTHDAY
- THIRUKKURAL COMPETITION
- STORY PRESENTATION
- GANDHIJI'S MARTYRS' DAY

The Margazhi Utsav was a vibrant celebration held in our kindergarten to mark the auspicious month of Margazhi. Our little ones participated enthusiastically in traditional music and dance performances, bringing the spirit of the festival alive. The atmosphere was filled with joy as the children showcased their cultural talent, creating a valuable learning experience for all.

In our recent assembly presentation, the children confidently displayed their learning through songs, rhymes, and short skits. They confidently presented the topics that encouraged unity, harmony and kindness.

The Pongal celebration was a heartwarming event where the children learned about the significance of the festival. They created colourful kolams, made small Pongal pots, and enjoyed traditional sweets while singing joyful songs about the harvest season. The festive spirit filled the air with songs, discussions about farm dances, and Jallikattu.

Our students participated with great zeal in the Camel Art Contest, showcasing their creativity through vibrant drawings and colouring. The contest encouraged the children to express their imagination and sharpen their artistic skills. It was exciting to see so many budding artists in our school.

Our Republic Day celebration was a proud moment for the entire school. The children sang patriotic songs and performed a small play highlighting the importance of the day. It was a day of learning about the nation's history and the values of freedom and democracy.
