Gandhi Jayanti Celebration

The Kindergarten children celebrated Gandhi Jayanti with great enthusiasm, honouring the birthday of our beloved Mahatma Gandhi, the Father of our Nation. Teachers narrated stories about Gandhiji's life and his values of truth and non-violence. The children joyfully sang patriotic songs and participated in simple role plays, spreading the message of peace and kindness all around.

Diwali Celebration

The festival of lights, Diwali, was celebrated with immense joy and excitement in the Kindergarten. The class entrances were beautifully decorated with diyas and lanterns made by the children. Teachers explained the significance of Diwali through stories and songs. The children shared how they celebrate Diwali at home and enjoyed making paper diyas and greeting cards. The sparkle of happiness on their faces truly lit up the celebration!

Drama Festival

The Drama Festival was a wonderful platform for our LKG and UKG children to showcase their confidence and creativity. Each class presented short plays based on the given themes. The young performers enacted their roles with great enthusiasm, expressive dialogue delivery, and charming stage presence. It was heartwarming to see the little ones overcome stage fear and perform so beautifully. Their teamwork and spirited performances won everyone's hearts!
